work order	a valid direction, notice or order that requires work to be done or money to be spent on or in relation to the *property* or any adjoining footpath or road (but the term does not include a notice under s22E of the Swimming Pools Act 1992 or clause 18B of the Swimming Pools Regulation 2008).

2 Deposit and other payments before completion

2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.

2.2 *Normally*, the purchaser must pay the deposit on the making of this contract, and this time is essential.

2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.

2.4 The purchaser can pay any of the deposit by giving cash (up to $2,000) or by unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*.

2.5 If any of the deposit is not paid on time or a *cheque* for any of the deposit is not honoured on presentation, the vendor can *terminate*. This right to *terminate* is lost as soon as the deposit is paid in full.

2.6 If the vendor accepts a bond or guarantee for the deposit, clauses 2.1 to 2.5 do not apply.

2.7 If the vendor accepts a bond or guarantee for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.

2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Deposit-bond

3.1 This clause applies only if this contract says the vendor has agreed to accept a *deposit-bond* for the deposit (or part of it).

3.2 The purchaser must provide the original *deposit-bond* to the vendor's *solicitor* (or if no solicitor the *depositholder*) at or before the making of this contract and this time is essential.

3.3 If the *deposit-bond* has an expiry date and completion does not occur by the date which is 14 days before the expiry date, the purchaser must *serve* a replacement *deposit-bond* at least 7 days before the expiry date. The time for service is essential.

3.4 The vendor must approve a replacement *deposit-bond* if –

3.4.1 it is from the same issuer and for the same amount as the earlier *deposit-bond;* and

3.4.2 it has an expiry date at least three months after its date of issue.

3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to *terminate*. The right to *terminate* is lost as soon as –

3.5.1 the purchaser *serves* a replacement *deposit-bond*; or

3.5.2 the deposit is paid in full under clause 2.

3.6 Clauses 3.3 and 3.4 can operate more than once.

3.7 If the purchaser *serves* a replacement *deposit-bond*, the vendor must *serve* the earlier *deposit-bond*.

3.8 The amount of any *deposit-bond* does not form part of the price for the purposes of clause 16.7.

3.9 The vendor must give the purchaser the *deposit-bond* –

3.9.1 on completion; or

3.9.2 if this contract is *rescinded*.

3.10 If this contract is *terminated* by the vendor –

3.10.1 *normally*, the vendor can immediately demand payment from the issuer of the *deposit-bond*; or

3.10.2 if the purchaser *serves* prior to *termination* a notice disputing the vendor's right to *terminate*, the vendor must forward the *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.

3.11 If this contract is *terminated* by the purchaser –

3.11.1 *normally*, the vendor must give the purchaser the *deposit-bond*; or

3.11.2 if the vendor *serves* prior to *termination* a notice disputing the purchaser's right to *terminate*, the vendor must forward the *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.

4 Transfer

4.1 *Normally*, the purchaser must *serve* at least 14 days before the date for completion –

4.1.1 the form of transfer; and

4.1.2 particulars required to register any mortgage or other dealing to be lodged with the transfer by the purchaser or the purchaser's mortgagee.

4.2 If any information needed for the form of transfer is not disclosed in this contract, the vendor must *serve* it.

4.3 If the purchaser *serves* a form of transfer and the transferee is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for this form of transfer.

4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.

5 Requisitions

5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.

5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –

5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

5.2.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and

5.2.3 in any other case - *within* a reasonable time.

6 Error or misdescription

6.1 The purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).

6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.

6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

The purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –

7.1.1 the total amount claimed exceeds 5% of the price;

7.1.2 the vendor *serves* notice of intention to *rescind*; and

7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and

7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –

7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;

7.2.2 the amount held is to be invested in accordance with clause 2.9;

7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;

7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and

7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

8.1 The vendor can *rescind* if –

8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;

8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –

8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;

8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and

8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –

9.1 keep or recover the deposit (to a maximum of 10% of the price);

9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –

9.2.1 for 12 months after the *termination*; or

9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and

9.3 sue the purchaser either –

9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –

- the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
- the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or

9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –

10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;

10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* (`service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);

10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;

10.1.4 any change in the *property* due to fair wear and tear before completion;

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION 49620567

10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
10.1.6 a condition, exception, reservation or restriction in a Crown grant;
10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).

10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.

10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –

12.1 to have the *property* inspected to obtain any certificate or report reasonably required;

12.2 to apply (if necessary in the name of the vendor) for –
12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern –
13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –

- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.

13.7 If this contract says the sale is not a taxable supply –
13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

TORRENS 2GETHER RD, YINDHURST NSW 2747

13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –

- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

13.8.1 this sale is not a taxable supply in full; or

13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent –

13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and

13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.

13.13 If the purchaser must make an *RW payment* the purchaser must –

13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of an *RW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;

13.13.2 produce on completion a *settlement cheque* for the *RW payment* payable to the Deputy Commissioner of Taxation;

13.13.3 forward the *settlement cheque* to the payee immediately after completion; and

13.13.4 *serve* evidence of receipt of payment of the *RW payment.*

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –

14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;

14.4.2 by adjusting the amount that would have been payable if at the start of the year –

- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –

14.6.1 the amount is to be treated as if it were paid; and

14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16.4 The legal title to the *property* does not pass before completion.

New tenant checklist

What you must know before you sign a lease

At the start of every tenancy, your landlord or agent should give you:

- a copy of this information (*the New tenant checklist*)
- a copy of your lease (tenancy agreement)
- 2 copies of the premises condition report (more on that later)
- an invitation to lodge the bond using Rental Bonds Online (RBO). Or, if you are unable to use RBO, a bond lodgement form for you to sign, so that it can be lodged with NSW Fair Trading
- keys to your new home.

If applicable, you should also receive:

- a certificate of compliance for a swimming pool (more on that later)
- a copy of the by-laws, if the property is in a strata complex
- notification if the premises has been listed on the Loose-Fill Asbestos Insulation Register (more on that later)
- notification of any other material fact relating to the premises (more on that later).

Before you sign the lease, make sure you read it thoroughly. If there is anything in the lease that you do not understand, ask questions.

Remember, you are committing to a legally binding contract with no cooling-off period. You want to be certain you understand and agree to what you are signing.

You should only sign the lease when you can answer Yes to the following statements.

The lease

☐ I have read the lease and asked questions if there were things I did not understand.

☐ I know the length of the lease is negotiated before I sign, which means it can be for 6 months, 12 months, or some other period.

☐ I know that I must be offered at least **one** way to pay the rent that does not involve paying a fee to a third party.

☐ I know that any additional terms to the lease must be negotiated before I sign.

☐ I have checked that all additional terms to the lease are legal. For example, the lease does **not** include a term requiring me to have the carpet professionally cleaned when I leave, unless I have agreed to that as part of a condition to allow me to keep a pet on the premises.

Promised repairs

For any promises made by the landlord or agent (for example, replace the oven, paint a room, clean up the backyard, etc.):

☐ I have made sure these have already been done

or

☐ I have an undertaking in writing (before signing the lease) that they will be done.

Upfront costs

I am **not** being required to pay:

☐ more than 2 weeks rent in advance, unless I freely offer to pay more

☐ more than 4 weeks rent as a rental bond.

I am **not** being charged for:

☐ the cost of preparing my lease

☐ the initial supply of keys and security devices to each tenant named on the lease.

Managing your bond online

Your landlord or agent **must** give you the option to use Rental Bonds Online (RBO) to pay your bond. You can use RBO to securely pay your bond direct to NSW Fair Trading using a credit card or BPAY, without the need to fill out and sign a bond lodgement form. Once registered, you can continue to use your RBO account for future tenancies.

If you decide not to use RBO, you can ask your agent or landlord for a paper bond lodgement form for you to sign, so that it can be lodged with NSW Fair Trading.

Swimming and spa pools

Does the property have a swimming or spa pool? If so, the landlord or agent must give you a copy of a valid certificate of compliance or occupation certificate issued in the past 3 years. This does not apply if you are renting in a strata or community scheme of more than 2 lots.

Property containing loose-fill asbestos insulation

Properties in NSW that test positive for loose-fill asbestos insulation will have the property address included in a public register (available on the NSW Fair Trading website). If a property has been listed on this public register, the agent or private landlord must disclose this information to new tenants. The following section lists the other information that must be provided to tenants before they sign a lease.

What tenants must be told

Sometimes a residential property has something in its history that you should know. If the landlord or agent is aware of any of the following facts, they must inform you:

- if the property:
  - has been affected by flooding or bushfire in the previous 5 years
  - has significant health or safety risks (unless they are obvious when you inspect the property)
  - has been the scene of a violent crime in the previous 5 years
  - is affected by zoning or laws that will not allow you to obtain a parking permit and only paid parking is available in the area
  - is provided with council waste services on a different basis to other premises in the area
  - is listed on the loose-fill asbestos insulation register
- if other people are entitled to share the driveway or walkway.

After you move in

- Fill in your part of the condition report and make sure you return a copy to the landlord or agent within 7 days. This is an important piece of evidence. If you do not take the time to complete it accurately, money could be taken out of your bond to pay for damage that was already there when you moved in.
- If you lodged the bond using RBO, make sure you receive an email or SMS notification from Fair Trading confirming your bond has been received. If the bond was not lodged using RBO, make sure you get a letter from Fair Trading sometime during the first 2 months saying that your bond has been received and advising you of your Rental Bond Number.

If you do not receive an email, SMS notification or letter, call NSW Fair Trading to make sure the bond has been lodged.

Top tips for problem-free renting

Follow these useful tips to help avoid problems while you are renting:

- Photos are a great way to record the condition of the property when you first move in. Take date-stamped photos of the property, especially areas that are damaged or unclean. Keep these photos in case the landlord objects to returning your bond at the end of your tenancy.
- Keep a copy of your lease, condition report, rent receipts, Rental Bond Number and copies of letters/emails you send or receive in a safe place where you can easily find it later.

- Never stop paying your rent, even if the landlord is not complying with their side of the agreement (e.g. by failing to do repairs). You could end up being evicted if you do.
- Comply with the terms of your lease. In particular, never make any alterations, keep a pet or let other people move in without asking the landlord or agent for permission first.
- Keep a diary of your dealings with the landlord or agent - record all the times and dates of conversations, who you spoke to and what they agreed to do. If repairs are needed, put your request in writing to the landlord or agent and keep a copy. This type of evidence is very helpful if a dispute arises that ends up in the NSW Civil and Administrative Tribunal (NCAT).
- Consider taking out home contents insurance. It will cover your belongings in case of theft, fires and natural disasters. The landlord's building insurance, if they have it, will not cover your things.
- If the property has a pool or garden, be clear about what the landlord or agent expects you to do to maintain them.
- Be careful with what you sign relating to your tenancy and do not let anybody rush you. Never sign a blank form, such as a 'Claim for refund of bond' form.
- If you are happy in the place and your lease ends, consider asking for the lease to be renewed for another fixed term. This will remove the worry about being unexpectedly asked to leave and can help to lock in the rent for the next period of time.
